

2019 READER'S CHOICE

Thank you, Lehigh Valley, for voting K&H Custom Window Treatments #1 in the Lehigh Valley!

Every year, the Morning Call polls its readers to find the best of the best businesses in over 300 categories. They look for businesses that their clients trust — businesses that your family, friends, colleagues, and neighbors are patronizing because they demand excellence. This year, citizens from over 25 municipalities voted K&H the #1 window treatment provider in the Lehigh Valley! Thanks to you, our loyal customers, for validating the K&H Golden Rule: "We give our clients what they need to help them solve their problems. That's what we try to do every day." As from our beginning in 1986, K&H adheres to the same simple principle: Treat people the way they would want to be treated, with high-quality products, individual attention, and superior customer service.
